

In order to help protect our Town employees and the community, the Town is only operating essential services until further notice; all municipal buildings are closed and Concord Recreation will be canceling or postponing all programs, facility reservations and special events through April 12th. Additionally, the Beede Swim & Fitness Center will be closed until further notice. While we recognize that these closures and cancellations are unprecedented, our decision to do so is in an effort to stop the spread of Covid-19. Please know that we are in constant communication with the Town Manager's Office and the Public Health Department and will continue to work in collaboration with them to assure that we are doing our part to keep our community safe. Our Department is currently working with instructors to organize class extensions or refunds/credits for programs and memberships effected; please be watching for these notifications in your inbox soon:

- If you are currently a Beede Member, you can expect to receive an email from Beede Center Management in the coming days regarding your membership and monthly payments.
- If you are an Afterschool, Before School, Terrific Tuesdays or Carousel participant, you can expect to receive an email from the Childcare Manager in the coming days regarding program refunds and upcoming charge dates.
- If you are a participant in a general recreation program, you can expect to receive an email from a Recreation Supervisor in the coming days regarding class postponements, refunds, and cancellations.

For information on COVID-19 and the Town's response, please visit [www.concordma.gov/coronavirus2019](http://www.concordma.gov/coronavirus2019). We encourage you to sign up for news and notices for emailed information or follow us on social media – instructions are on the front page of the Town's website.

Concord Recreation's mission of "supporting and promoting community through wellness and play" continues to drive our decisions and we appreciate your patience and continued commitment. We look forward to working with you again in the near future.
